

DUO-BIN / TRI-BIN RECYCLING CONTAINERS

The recycling **DUO-BIN** and **TRI-BIN** containers offer galvanized steel durability and the pretty appearance of an anthracite powder coating paint.

Suitable for outside as well as inside use, those will enhance the beauty of your landscape.

The 2 or 3-stream hinged lid permits to clearly identify the use of each stream as waste, recycling, paper, etc, per their specific colour and marking.

Inside, a metallic separator keeps the material in the proper stream. Holes provided on bottom for ground fixation.
